**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED  
CONSOLIDATED FINANCIAL STATEMENTS****TO THE SHAREHOLDERS OF ATAA EDUCATIONAL COMPANY  
(A SAUDI JOINT STOCK COMPANY)  
RIYADH, KINGDOM OF SAUDI ARABIA****INTRODUCTION**

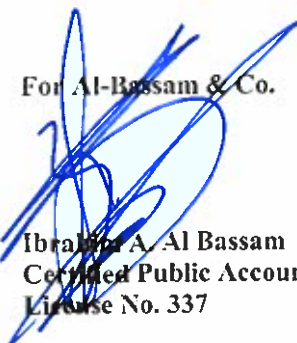

We have reviewed the accompanying interim consolidated statement of financial position of Ataa Educational Company (the "Company") and its subsidiaries (collectively referred to as the "Group") as at 31 January 2022 and the related interim consolidated statements of profit or loss, comprehensive income, for the three-month and six-month periods then ended, and interim consolidated statements of changes in equity and cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

**SCOPE OF REVIEW**

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**CONCLUSION**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

For Al-Bassam & Co.

**For the six-month period ended 31 January 2022**

(Amounts in Saudi Riyals unless otherwise stated)

---

#### **1. LEGAL STATUS AND OPERATIONS (CONTINUED)**

6. On August 8, 2021, the Company acquired the Arabian Education and Training Group Company (the “Company”), a closed joint stock company, established under the Companies Law in the Kingdom of Saudi Arabia and registered in Riyadh under Commercial Registration No. 1010206103 on Muharram 18, 1426 H (corresponding to 27 February 2005).

The Company's main activity is the establishment and management of language and computer learning institutes, administrative programs and health institutes, and the establishment and management of private schools, colleges, universities and all educational, educational and training activities under the letter of the Technical and Vocational Training Corporation No. 204/1664 on 18 Jumada Alawwal 1425 H corresponding to 5 July 2004.

In reference to the events related to the spread of Coronavirus (Covid-19) and its repercussions on the business sector locally and internationally, the Group is committed in applying the recent directives of the relevant authority. The Group has taken the necessary measures to ensure the health and safety of the group employees and contribute to limiting the spread of the pandemic. The Group seeks to benefit from the initiative and decisions adopted and presented by the Kingdom in order to mitigate the negative effects of Covid-19 in the private sector, due to the difficulty in determining the time period for the pandemic, it is difficult for the group to determine the financial impact of the pandemic, however, the Group will continue to monitor the situation in this regard and any changes will be reflected in future reporting periods.

#### **2. BASIS OF PREPARATION AND MEASUREMENT**

##### **2-1 Applied accounting policies**

The interim condensed consolidated financial statements have been prepared in accordance with IAS 34 ‘Interim Financial Reporting’ that is endorsed in Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organization for Chartered and Professional Accountants (“SOCPA”) and should be read in conjunction with the Group's annual financial statements as of and for year ended 31 July 2021. The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual statements to prepare a complete set of financial statements; however, the accounting policies and explanatory notes are mentioned to explain events and the important transaction to understand the changes in the Group's financial position and its performance since the last annual financial statement of the Group.

The results for the six-months period ended 31 January 2022 are not necessarily indicative of the results that can be expected for the financial year ending 31 July 2022.

As indicated in Note 1-4 and 1-5, the Group acquired Elm International Schools Company and Wasat National Training and Education Company during the year 2021, and the results of the acquisition appeared on the consolidated financial statements for the year ending on July 31, 2021. The Group also acquired the Arabian Education and Training Group Company during the first quarter of 2021 and for the year ending on July 31, 2022, as indicated in Note 1-6. Accordingly, the comparative figures presented in the interim condensed consolidated financial statements for the period ended on January 31, 2022, do not include the acquired companies.

## ATAA EDUCATIONAL COMPANY

(A Saudi Joint Stock Company)

### NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six-month period ended 31 January 2022

(Amounts in Saudi Riyals unless otherwise stated)

## 2. BASIS OF PREPARATION AND MEASUREMENT (CONTINUED)

### 2-2 Basis of consolidation

The consolidated financial statements include the financial statements of the parent company and its subsidiaries (collectively the "Group") as disclosed within note (1). Accordingly, comprises of the financial statements of the parent company and its subsidiaries as at 31 January 2022. Subsidiaries are entities which are controlled by the Group. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

When the Group maintains less than the majority of voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the over voting holders of the investee
- Rights arising from other contractual arrangements
- The Groups voting rights and potential rights

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses its control the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed during the year are included in the consolidated financial statements from the date that the Group gains until the date the Group ceases to control over subsidiary.

Profit or loss and each component of consolidated comprehensive income are attributed to shareholders of the parent company of the Group and to the non-controlling interest, even if this results in the non-controlling interest having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group accounting policies. All intra-group asset and liabilities, equity, income, expenses and cash flows relating to transaction between members of the Group are eliminated in full upon consolidation.

A change in the ownership interest of subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group losses control over a subsidiary, it:

- Derecognizes the assets (including goodwill) and liabilities of the subsidiary
- Derecognizes the carrying amount of any non-controlling interest
- Derecognizes the cumulative translation differences recorded in equity
- Recognizes the fair value of the consideration received
- Recognizes the fair value of any investment retained
- Recognizes any surplus or deficit in consolidated statement of profit or loss
- Reclassifies the parent company share of components previously recognized in the comprehensive income to consolidated statement of profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

### 2-3 Basis of measurement

These interim condensed consolidated financial statements have been prepared on historical cost basis except for employees' benefits obligations and the borrowing granted by the Ministry of Finance, as they are recognized at the present value of future obligation using the projected unit credit method.

**2. BASIS OF PREPARATION AND MEASUREMENT (CONTINUED)**

**2-3 Basis of measurement (Continued)**

As on 31 January 2022, the Group's current liabilities exceeded its current assets by 7,985,166 SR, which is mainly due to lease liability under right-of-use, loans and advance revenue amounting to 176,837,766 SR. Despite the deficit in working capital, the Group has an operating cash flow of 93,616,821 SR, which is an indication of the Group's ability to meet its obligations when they become due. Accordingly, the consolidated interim financial statements have been prepared on the basis of the going concern basis.

**2-4 Functional and presentation currency**

These interim condensed consolidated financial statements are presented in Saudi Riyals, which is the functional and presentation currency of the Group, all figure have been rounded off to nearest Saudi riyals unless otherwise mentioned.

**2-5 Use of estimates and assumptions**

The preparation of these interim condensed consolidated financial statements required management to make judgments, estimates and assumptions that affect the application of policies and reported amounts, liabilities, revenues, and expenses. Actual results may differ from these estimates.

The significant estimates made by management when applying the Company's accounting policies and the significant sources of estimation uncertainties were the same as those shown in the last annual financial statements.

As explained in note 1 above, the Group has reviewed the main sources of estimates of uncertainly that have been disclosed in the last annual financial statements against the backdrop of the Covid-19 pandemic. Management will continue to monitor the situation and any required changes that will be reflected in future reporting periods.

The Company's management has made an assessment of the Company's ability to continue as a going concern and is satisfied that the Company has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt on the Company's ability to continue as a going concern. Therefore, the financial statements have been prepared on a going concern basis.

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies used in preparing the interim condensed consolidated financial statements are in line with the policies followed in preparing the annual consolidated financial statements of the Group for the year ended 31 July 2021.

**3-1 New standards, amendment to on standards and interpretations**

There are no new standards issued, however, a number of amendments to the standards are effective as of January 1, 2022, and the details of this were clarified in the annual financial statements for the year ended July 31, 2021. However, they have no material impact on the group's interim consolidated financial statements.

**3-2 Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to settle a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Fair value measurement of a non-financial assets considers a market participants' ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

### **3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **3-2 Fair value measurement (continued)**

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets and liabilities can be obtained at the measurement date.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly observable (such as prices) or indirectly (derived from prices).

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable (unobservable inputs).

For assets and liabilities that are recognized in the interim condensed consolidated financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group has determined the policies and procedures for both recurring fair value measurement, and for non-recurring measurement.

At each reporting date, the Group analyses the changes in the values of assets and liabilities required to be re-measured or re-assessed as per the Group's accounting policies. For this analysis, the Group verifies the primary inputs applied in the latest valuation by corresponding the information to contracts and other relevant documents in the evaluation. The Group also compares the change in the fair value for each asset and liability with relevant external sources to determine whether the change is reasonable. For fair-value disclosures, the Group has determined classes of assets and liabilities based on nature, characteristics, and risks of the asset or liability and the fair value hierarchy level as explained above.

### **4 PROPERTY AND EQUIPMENT**

- As of 31 January 2022, lands and buildings amounted to SR 236,093,642 (31 July 2021: SR 77,812,257 million) are pledged as collateral in exchange for obtaining borrowing facilities as shown in Note (9).

-

- As of 31 January 2022, projects under construction amounting SR 14,213,726 (31 July 2021 :SR 8,537,174) are represented in construction projects of an educational complex located in Izdihar district and building development works in educational complexes in Al-Wurud district, and the buildings of Al-Asun International Private Schools and Jeel Al-Majd International Private Schools

**17. ACQUIRING SUBSIDIARIES**

The acquisition was calculated using the acquisition method under IFRS 3- Business Combinations (the "Standard") (with Ataa Educational Company being the acquiring party, Elm International Schools Company, Wasat National Training and Education Company and the Arabian Education and Training Group Company as the acquired parties. As required by the standard, Ataa Educational Company is in the process of allocating purchase consideration for identifiable assets and liabilities up to the date of issuance of the consolidated financial statements. Accordingly, Ataa Educational Company has calculated the acquisition based on the temporary fair values of the acquired assets and liabilities as on the date of acquisition, as independent evaluations have not been completed. The adjustment to these provisional values will be completed within twelve months from the date of acquisition as permitted by the standard.

The Company is in the process of making a comprehensive allocation of the purchase price which is expected to be completed within twelve months from the date of acquisition and will focus, without limitation, on the completion of the valuation adjustments on the following:

- Recognition of intangible assets.
- Property and equipment.
- Other recognized financial and non-financial assets and liabilities.

**ATAA EDUCATIONAL COMPANY**

(A Saudi Joint Stock Company)

**NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS****For the six-month period ended 31 January 2022**

(Saudi Riyals)

**17. ACQUIRING SUBSIDIARIES (CONTINUED)**

The initial purchase price allocation is included in the consolidated financial statements. Subsequent adjustments will occur during the measurement period when the Company completes its estimate of the fair values of the assets acquired and the liabilities assumed. Accounting for the fair value of financial assets and liabilities acquired from Elm International Schools Company, Wasat National Training and Education Company and Arabian Education and Training Group Company is provisional due to the inherent complexity and discretion associated with determining the gains from purchase at a differential rate and intangible assets and determining the fair value of intangible assets and items included in the statement of financial position.

**A. Elm International Schools Company**

During the month of December 2020, the company acquired 100% of the capital of the Elm International Schools Company as of August 1, 2020, in return for a payment of 40 million Saudi riyals, according to the sale contract signed on December 21, 2020, and thus the company became controlling the International Elm Schools Company. The activity of the Elm International Schools Company is represented as shown in Note (1). It qualifies as a business as defined in IFRS 3. Elm Schools Company was acquired to develop the group's operations.

The book value of the identifiable assets and liabilities acquired from Elm International Schools Company amounted to SR 283,624. Goodwill was recognized in the amount of SR 39,716,376, which represents amounts in excess of the net book value of the identifiable net assets acquired.

The fair values have been determined based on the professional experience and judgment of the valuer, after considering prevailing market conditions, current conditions of the assets and sources of market information. The valuation will be carried out by an independent valuator according to international valuation standards. The valuation results were arrived at by reference to open market value models. The process of allocating the purchase price will be carried out by an independent third party on the basis of the valuation report of the independent expert.

The legal procedures related to the purchase of the Elm International Schools Company were completed during the year, and a no-objection approval was obtained from the General Authority for Competition.

The assets and liabilities recognized as a result of the acquisition are as follows:

	<b>Fair value</b>
Property and equipment, net	1,742,211
